我这两天在处理学校对我学术不端的事情的指控

Yesterday 21:13

发现是你们在小红书给我宣传 说你们帮我选题，改框架，然后还帮我辅导论文还有 presentation

你们太离谱了吧？

你们没做的事，你们宣传的天花乱坠？

我也是挺无语的，就首先，你们宣传这事情，我都我都不知情。完了之后，你们还瞎宣传，你们没有帮你们没有帮我干的事儿。然后，你们在那里面儿一顿说一顿说帮我干了，你们这不纯纯的在那个造谣儿吗？然后，其次呢。学校说他们30号2点多给我发的学术部段邮件，然后说你们5点多说把这东西删了，那我真是好笑 😊，我想问问我5点多我在飞机上，我都没跟你们说过这事情，你们怎么知道的就是就你们就给删除了呢？我觉得你们应该给我合理

I have been dealing with the school's accusation of academic misconduct against me these two days.

Yesterday 21:13

I found out that you promoted on Xiaohongshu that you helped me with topic selection, revised the framework, and also tutored me on my thesis and presentation.

That's ridiculous!

How can you hype up things you didn't even do?

I'm also at a loss for words. First of all, I had no idea you were promoting this at all.

And then, you're making false promotions about things you didn't actually help me with. And then you keep claiming in those posts that you did all these things for me -

isn't this just pure spreading rumors? Secondly, the school stated that they sent an email to me through the Academic Affairs Department at around 2:00 on the 30th.

They also claimed, "You said the post was deleted at 5:00." This is truly laughable. I would like to ask: at around 5:00, I was on a plane and had not discussed this matter

with you at all. How did you learn about it and delete the post in the first place? I think you owe me a reasonable explanation.

write a written report and provide evidence to the school. How should I put this?

These things never happened to me at all. And now, you've gotten me into this mess where I have to clean up your mistakes. These things never even happened in the first place, and now you went on and on about them in your posts - and then you deleted them, as if that would fix things. Now the school suspects that I deleted the posts.

How could it be such a coincidence that I'm caught up in all of this?

zhaiyy: You said you provided me with a bunch of help, such as thesis frameworks, topic selection, and presentations

First of all, you posted false promotions claiming that you helped me write my thesis and other such things, but none of that ever happened

I just asked the teacher for suggestions

But you're claiming that my thesis framework and everything were done by you!

Now, how do you think I should explain the matter of you deleting the posts to the school?

I haven't even talked to you about it

But coincidentally, you deleted the posts that same afternoon

Don't you think you owe me an explanation?

I was on a plane myself and didn't have time to look into these matters

How should I explain this to the school? What you're doing now is simply outrageous.

But I really have no idea about the post deletion

Yes, that's right! You claimed in your Xiaohongshu posts that you helped me revise my thesis and framework, but in reality, you only provided some suggestions. I saw the specific content during the meeting - although I don't remember every detail, your claims are completely exaggerated. You didn't assist me at all, yet you're making up stories out of thin air
